WHO WE ARE

GLASS was founded in 2011 by a group of Guyanese who saw the need to have a presence in Oil & Gas Sector and was the one the early if not the first modern Service company of its kind to establish operations in Guyana. Since then, we have proven ourselves experts in that we provide end-to-end Supply Chain, Logistics, Custom Brokerage, Manpower and Support Services solutions to foreign clients operating, or looking to do business, in Guyana.

OUR MISSION STATEMENT

- ✓ To provide high quality services that combine performance with competitive pricing, while establishing successful relations with our customers and suppliers.
- ✓ To continuously strive to meet our customers' needs and expectations of price, service and selection.
- ✓ To stay ahead of the competition by innovation, based on the needs of our customers and market demand.
- ✓ To develop an organization that will encourage all employees to prosper and grow to their maximum potential.
- ✓ To conduct our business with the highest levels of integrity in the interactions with our customers and suppliers.
